Date OF ADDENDUM: January 26, 2021

ICB No. MJ/ICB/01/II/2021

ICB NAME: Supply and Delivery of Food for Becora Prison in Dili, Timor-Leste – Lot 1

ADDENDUM N. 01

The present amendment regards to the modification of the previous documents regarded to the referred ICB and does not include additional information (requirements) that shall be followed after contract.

The need for this addendum results from the regular verification held by the procurement services and do not meet any needs of any supplier.

In accordance to the referred on 1 at the Section III - Evaluation and Qualification Criteria, from the original documents (pg. 3-1, 3-2) and the grid containing the grades for all the requirements for evaluation, follows this amendment of Bidding document (as stated at new content below).

Amendment:

Manuel Cárceres da Costa
The Minister of Justice

Section III. Evaluation and Qualification Criteria

ADDENDUM N. 01

The evaluation shall be based on the documents that the Bidder has submitted with its Bid. Therefore, the Bidder is reminded to submit all the necessary information and documentation to enable the Purchaser to make an evaluation. Failure of the Bidder to provide the necessary information may result in the rejection of the Bid.

Bid evaluation shall be undertaken in two stages. If one bidder is placed first in both lots then, the evaluation process may include three stages. The first stage will be the Evaluation of Technical Bids applying the technical evaluation criteria, subcriteria, and scoring system specified below. The maximum technical score is 500 points and **the passing score for bidder qualification is 350 points.**

The second stage will be the evaluation of the price bids of **only the Bidders with the top two technical scores** based on the result of the first stage evaluation above. To determine the "price score", the lowest evaluated bid price X will automatically score 500 for the price component evaluation. Other bidders with bid price Y will be assigned a price bid score = $500 (X / Y)$.

The final ranking shall be determined by combining the Technical and Price scores, applying a **Technical: Price Ratio of 40:60.**

Technical Evaluation:

The technical evaluation will be undertaken in two steps. The first step will be the determination of the Bidder's compliance to the basic bid and eligibility requirements to be undertaken on a "Pass or Fail" basis.

1. THE FOLLOWING DOCUMENTATION SHALL BE CHECKED FOR ELIGIBILITY BY JURI:

- Signatory to the bid is authorized to commit the Bidder as evidenced by a Power of Attorney submitted with the Bid in case of Delegation or the signing director is other diferent from the one stated at the statute.
 - Valid Business Registration Certificate from country of domicile; and the activities business must be in the part of Supply of Food.
 - Bid securing declaration in accordance with 18.2 and the section IV.
 - Proof of tax payments for immediate past quarter duly authenticated, copy of Tax Certificate that is still valid and has been legalized from country of domicile.
 - Company Statute issued by the Ministry of Justice/Serve or from the location of the supplier.
 - Bank statement for three month period issued at the seven days prior to to the bid submission deadline, stating the cash balance of a minimim of US \$ 60.000 in the Company Account which the deposit was made before the quarter.
 - Attach a letter stating that you agree all the time, the Ministry can check your Bank Account.
 - Bid Security of \$ 5.000 in accordance with ITB, Clause 18.1..
 - Statement of the Juri regarding the state of hygiene condition and others conditions and capacity of the company office or storage which will be recomend to accept or reject bids as mandatory, made through site visit.
 - Declaration (only required for foreign company), that will deliver only according to DDP location. FOB and CIF delivery will be rejected.
2. The Purchaser shall also examine the Technical Bids to confirm that all terms and conditions specified in the GCC and the SCC have been accepted by the Bidder without any reservation.
 3. The Purchaser shall evaluate the Bidder's compliance to the requirements of the supply also confirm that all other requirements specified in Section V, Schedule of Supply of the Bidding Document have been met without any material deviation.
 4. The Purchaser shall also confirm that:

- The Bidder is not subject to current sanctions or declaration of ineligibility for fraud and corruption by the Purchaser;
- Bidder does not have a conflict of interest with one or more parties participating in or executing this bidding process; and
- In the case of a joint venture, confirm that the Bidder submitted a certification that all parties shall be jointly and severally liable and that the Bidder has nominated a Representative who shall have the authority to conduct all business for and on behalf of any and all parties of the joint venture during the bidding process, and in the event the joint venture is awarded a contract, also during contract execution.

Only those Bidders who passed the Step 1 evaluation shall be considered further in the Step 2 – **Technical evaluation** which is to evaluate and score the technical bids on the criteria and scoring system provided below, which is in general:
